

FOLD

ALWAYS TASTEFUL.  
**NEVER  
TAMED.**<sup>TM</sup>

**Tasting Notes**  
A bright, straw yellow color with elegant and expressive notes of citrus and white-fleshed fruits, framed by fresh Mediterranean herbs. On the palate it unfolds over an intriguingly agile structure, robust and rounded nicely by a generous concentration of fruits. It tastes rich, but is utterly fresh with a persistent mineral-driven finish.

**Food Pairings**  
Ideally paired with fish, shellfish and vegetable preparations, but also stands up well with any white meat.
